January 2026

Commanders Corner

Greetings Fellow Legionnaires,

I hope that everyone had a good Christmas or Chanukah and a good start to the New Year with fun New Years Eve parties. We will probably be doing our "traditional" Chinese Food takeout. ☺ We do have some good news from the VA which is in the Service Officer Section of the Newsletter along with other good VA benefits information. We also have both Holocaust Remembrance Day along with Vietnam Peace Day on the 27th with details in the History Officer Section.

Maureen and I were able to attend the Pearl Harbor Day Parade with the Pipes on Parade Band. I wasn't able to attend the Post Christmas Dinner because we flew out on the 4th to Oahu. The Band also played at the USS Missouri which held the Japanese Surrender Ceremony on September 2nd, 1945. The Band and visitors were able to visit the USS Arizona Memorial which always a moving experience during our stay as well as a Luau at the historic Paradise Cove. [You can watch the band play in the opening ceremony and parade here at about 27:00 and 2:50:15.](#)

All are invited to our Post meeting which is on January 5th where we have a social hour prior to the meeting with meals served, so please plan on attending. There are also the usual District-wide events like Monday chess at Post 858, Vet to Vet Café at Post 419 on Thursdays. Post 419 also hosts a First Sunday Breakfast on the 4th. [Check the District 13 Calendar](#) for information. We also have [the De Anza Student Veterans Lunch on the 7th. The District 13 Meeting is on the 21st.](#)

Remember that we generally meet at [the Odd Fellows Lodge #70 on Homestead Road](#) on the first Monday of the Month at 1800 for socializing and a light meal and refreshments then check out the meeting at 1900.

We really want to get more people attending the Post meetings and events and to be more social, so let us know your ideas by coming to our meetings. **I would like the current attending members/officers to use the roster to call and invite members**

to our meeting which is also a form of Buddy Check. Newly attending members do give us a heads-up, so that we can requisition extra rations versus our regular contingent. The next person on the meals roster ([on the Adjutant's Corner](#)) will take the cooler with drinks, etc. for the next meeting. If additional drinks are required, it will be reimbursed above the normal meal amount. I have the cooler and will bring it to the meeting for the meal.

We need a Finance Officer to step up as our long time Finance Officer Mike O'Meara needs to step down for personal reasons. If you have questions about the position, please reach out to Mike O'Meara at (408) 691-8277 or momeara47@yahoo.com. In our Post Bylaws Section 5. Duties of the Finance Officer. The Finance Officer shall be charged with custody of the funds of the Post. He shall keep its accounts and report thereon at regular meeting of the Post. They shall receive all funds of the Post and pay all bills approved by the Post. The office of Finance Officer and any other officers and/or positions charged by the Post Constitution and/or Bylaws, with the responsibility of handling Post funds, should be bonded and must pass a credit check. This position is especially important for maintaining the Post Charter and eligibility in the District.

Please remember that if you have Post or Veterans events that you would like on the calendar get them to Arturo. Please include pertinent information like event information, contacts, address, where to meet, etc.

<https://www.americanlegionpost642.com/site/eventscalendar.php?y=2023&m=3>

If you know of deceased members during the past few months either bring their name and share with our District Chaplain, (currently vacant) so contact the Adjutant at wheimsoth@aol.com with information or if you would like to volunteer for the District 13 Chaplain position.

To Comradeship!

Adjutant Update

Fellow Legionnaires,

Post Christmas greetings to all of you, hopefully you all had a chance to be with family and friends during this Christmas season. We are now saying goodbye to 2025 and hello 2026!

With the start of 2026, this is a great opportunity for members to check out their personal data on mylegion.org to ensure all the information is up to date. It's quick and easy, go to mylegion.org if you already have a login then click on the icon and once you are logged in, click on my account. This will take you to your my account page. On the left is where the various sections of your account information are stored. Click on each of those sections, review the info, and make any additions, changes as required. Once this is saved it will be uploaded into the Legion database. While you are there you can subscribe to various email newsletters and dispatches to receive the latest Legion happenings. Those who do not yet have an account, once you are on the mylegion.org page click on the register icon and follow the instructions to register. Once you have registered, then follow the instructions above for account holders. I will be sending out hard copies of legion members' info for those who have not yet provided their email addresses or do not have email.

We had a great Wreaths Across America (WAA) ceremony on 13 December. The weather was much better than last year, and we had an excellent turnout. Over 1,100 wreaths were purchased by the community, civic groups, and our members. As previously mentioned, the American Legion sent their media representative to the event and they wrote a piece on our event. It can be found [here](#), and is also on our initial page

of our website. The article has an embedded video of the event where our own Dennis Whittaker is interviewed, additionally segments from the rest of the ceremony are shown in the video. For those who have never attended, this will give you an idea of what the event is all about. Also I would like to thanks the various members of our Post who attended and assisted with the event.

On a side note regarding WAA, one of our ex-Post members Michael McNutt who started and ran the first two WAA Ceremonies that our Post hosted, passed away on 26 December. He had been in poor health and was recently hospitalized for serious back issues. Please keep him and his family in your thoughts and prayers.

Finally before closing, with the start of the new calendar year it is a great time to renew your membership if you haven't yet done so. You can either send the \$45 check to our PO Box address PO Box 302, Cupertino CA 95015, or you can renew online via mylegion.org

Happy and healthy 2026!

"Duty First"

Arturo

Military History Notes: Vietnam and The Holocaust

Jan 2

1967: In just one day, Col. Robin Olds' 8th Tactical Fighter Wing - the "Wolfpack" – wipes out half of North Vietnam's MiG 21 fighter fleet in Operation "Bolo". Olds' advanced F-4C "Phantoms" tricked Communist intelligence into thinking the advanced fighters were just another easy target of F-105 "Thunderchief" fighter bombers by flying at altitudes, speeds, routes, and using radio callsigns typical to the less maneuverable F-105s. When the MiGs flew into Olds' ambush, seven "Fishbeds" are shot down in 12 minutes. Col. Olds scores one of the victories, making him the only Air Force ace with kills in both World War II and Vietnam.

Jan 5

1970: Staff Sgt. Franklin D. Miller

(<http://www.victoryinstitute.net/blogs/utb/2000/01/franklin-d-miller-medal-of-honor-citation/>) was leading a long range patrol of Special Forces soldiers and Montagnards in Laos when a booby trap wounded several members. A firefight ensued, wounding the entire patrol. Despite a serious chest wound, Miller is the last man standing and keeps up the fight for several hours, holding off repeated enemy assaults against their position. That evening, as he is about to exhaust his ammunition, a team arrives to relieve the Green Berets. Miller would serve over six years in Southeast Asia. When asked by Richard Nixon upon awarding Miller the Medal of Honor, the president asks him where he wanted to be assigned next. Miller's answer: "Vietnam."

Jan 6

Medal of Honor: 44 years ago in South Vietnam, Army helicopter pilot Maj. Patrick H. Brady

(<http://www.victoryinstitute.net/blogs/utb/2000/01/patrick-hbrady-medal-of-honor->

[citation/](#)) conducted multiple medical evacuation missions in dense fog and in the face of heavy enemy fire. Over the course of the day, he rescued 51 soldiers and 400 bullet holes were counted in the three helicopters he flew.

Jan 8

1967: 16,000 U.S. and 14,000 South Vietnamese troops enter the "Iron Triangle," a major Viet Cong stronghold near Saigon, on a massive search and destroy mission. The Viet Cong largely avoided contact with the large force, withdrawing to Cambodia or hiding in tunnels. Operation "Cedar Falls" was the largest ground operation of the Vietnam War and marked the first time "tunnel rats" were used.

1973: An Air Force F-4D "Phantom" flown by Capt. Paul D. Howman and 1st Lt. Lawrence W. Kullman shoots down an enemy MiG - the last aerial victory of the Vietnam War.

Jan 11

1969: While leading an armored convoy down a highway in Vietnam's Binh Long Province, 1st Lt. Harold A. Fritz's formation is ambushed. Surrounded on all sides and in danger of being overrun, Fritz — who had been wounded in the initial moments disregards his injuries and heavy enemy fire, leaping from his vehicle to rally his men, directing them to reposition and shift their fire. As the battle wore on, a group of enemy soldiers closed in on the unit. Fritz, armed with just a pistol and bayonet, and some of his fellow men defeat the infiltrating force. Upon arrival of the relief force, Fritz again braves incoming fire to direct the unit. Today, Fritz is one of only 71 surviving Medal of Honor recipients.

Jan 12

1962: Ten miles west of Saigon, U.S. Army H-21 "flying banana" helicopters ferry South Vietnamese paratroopers into battle - the first major American combat operation in what will become the Vietnam War.

Also on this date, the U.S. military begins defoliation operations to deny the Viet Cong use of jungle cover for their movements. Over nine years, Operation "Ranch Hand pilots," whose motto was "Only you can prevent forests," would fly 19,000 sorties and drop an estimated 20 million gallons of defoliant. 10 percent of the vegetation in South Vietnam is destroyed.

1973: An F-4 "Phantom" flown by U.S. Navy Lieutenants Vic Kovaleski and Jim Wise splash a MiG-17, making it the Navy's final air-to-air kill and the last aerial-combat kill of the war.

Jan 19

Act of valor: On this day in 1967, A-4 "Skyhawk" pilot Capt. Michael J. Estocin (USN) earned the Distinguished Flying Cross during aerial combat over North Vietnam. His citation states: "As the leader of three Shrike-configured aircraft, Captain Estocin was responsible for providing warning, detection, and suppression of hostile surface-to-air missile activity directed at elements of the main strike group conducting a coordinated attack against the Dong Phong Thuong Railroad Bridge north of Thanh Hoa, North Vietnam. He lured the opposing missile sites to direct their fire toward his widely dispersed position by deploying the Shrike aircraft well ahead of the main strike group. During the course of the mission, Captain Estocin broadcast timely and

accurate warning of enemy missile firings and personally took under fire two enemy missile site, destroying one and causing significant damage to the radar facilities of the other. He was subjected to heavy and accurate enemy antiaircraft fire throughout the execution of these attacks. After exhausting his ordnance and at great personal peril, Captain Estocin remained on station to act as a lure in drawing any missile fire away from the remaining strike group. Only when assured that the main strike group was clear of the missile threat did Captain Estocin leave the hostile area." In April, Estocin will earn the Medal of Honor (posthumously) for two daring attacks against enemy surface-to-air missile sites.

Jan. 20

1968: North Vietnamese Army tries - and fails - to overrun Marines patrolling hills surrounding the Combat Outpost Khe Sanh. The Battle of Khe Sanh begins, and for the next 77 days, the heavily outnumbered and besieged Marines fought off their attackers, shattering two enemy divisions.

Jan 22

1968: With aerial photographs, ground reconnaissance reports, and a massive array of electronic sensors indicating that some 20,000 North Vietnamese Army soldiers surround the Khe Sanh Combat Base, Operation "Niagara", is underway. The massive air campaign, dubbed "the most concentrated application of aerial firepower in the history of warfare," will rain down nearly 100,000 tons of bombs - and eight times that amount of artillery shells - on the enemy. Meanwhile, transport planes ferry supplies to the besieged Marines in the largest aerial supply operation since the Berlin Airlift.

1969: Operation "Dewey Canyon", the Marine Corps' last major offensive of the Vietnam War, begins. Marines under the command of Col. Robert H. Barrow will spend 56 days clearing out the North Vietnamese Army's stronghold near the A Shau Valley.

Jan 28

1966: Marines hit the beaches of the South Vietnam's Quang Ngai province in the first amphibious landing since Korea. The Americans meet little resistance as they head inland, then move to cut off retreating North Vietnamese Army and Viet Cong forces.

1973: B-52s carried out their final combat sortie in Southeast Asia – striking targets in South Vietnam. Operation ARC LIGHT had started in 1965.

Jan 30

1968: (Featured image) At 2:45 in the morning, a 19-man Viet Cong suicide squad blows a hole in the wall of the U.S. Embassy at Saigon, managing to hold the courtyard for six hours until paratroopers can retake the compound. 10,000 North Vietnamese soldiers take the city of Hue, triggering a grueling house-to-house battle with U.S. and South Vietnamese soldiers. Meanwhile, virtually all of South Vietnam's major urban areas and bases are under attack.

The Vietnamese Tet Offensive launched by over 70,000 jointly operating North Vietnamese and Viet Cong forces — has kicked off across South Vietnam. The Communists trade their typical guerilla tactics for a risky, more conventional strategy intended to weaken the government in Saigon and inspire a revolutionary uprising. Militarily speaking, the Communists are shattered, with an estimated 50,000 killed, wounded or captured. But in the United States, the psychological effect of Tet playing out in the media drains

the resolve of the American public thanks to the negative reporting of Walter Cronkite.
